

Support Yiddish Theatre at the Segal Centre for Performing Arts

After surviving the Holocaust, Dora Wasserman made a commitment to keep Yiddish Theatre and culture alive. In honour of her dream, in 2010, the Dora Wasserman Yiddish Theatre established a digital Wall of a Thousand Names. Last year, the campaign raised 10,100\$ in support of Yiddish programming at the Segal Centre.

Anyone wishing to express their support may do so by adding their name to the wall for the nominal sum of \$25.00 per individual. All proceeds raised through this initiative will be used to fund Yiddish Theatre programming and initiatives year round at the Segal Centre and will be eligible for a tax receipt.
